

CHAMPION

GLOVE MODEL

The CHAMPION ElephantSkin working glove is **reusable and washable**, without the **antibacterial and antiviral coating** losing significant of its efficacy.

Its **DMF-, biocide- and latex-free composition** makes it not only **skin-friendly**, but also **food-safe**.

Its **high wear comfort** is provided by its **stretchy and breathable material**. Additionally, the CHAMPION is also **touchscreen compatible** and thanks to the **strong grip of the nitrile-coated palm**, this glove is ideal for mechanical work.
