

# WORK

## GLOVE MODEL

The **WORK** ElephantSkin working glove is **reusable and washable**, without the **antibacterial and antiviral coating** losing significant of its efficacy.

Its **DMF-, biocide- and latex-free composition** makes it not only **skin-friendly**, but also **food-safe**.

Its **high wear comfort** is provided by its **stretchy and breathable material**. Additionally, the **WORK** is also **touchscreen compatible** and provides excellent **tactile sensitivity and grip for delicate tasks** requiring fingertip precision
